Inspection report**

Location name: Denton Medical Practice
Location ID: 1-553779820

Dear Dr Majid

Please find enclosed a copy of our final report following our recent inspection of Denton Medical Practice. Please make this report readily available for people who use the service.

Your inspection report sets out the ratings for your service. Our ratings are based on a combination of what we find at inspection, what people tell us, our CQC Insight data, as well information you and other local organisations have provided.

We have developed characteristics to describe what outstanding, good, requires improvement and inadequate looks like for each of the five key questions and the relevant population groups.

Ratings have been awarded on a four-point scale; 'Outstanding', 'Good'; 'Requires Improvement', or 'Inadequate'.

The table below shows the ratings your location has been awarded:

	Safe	Effective	Caring	Responsive	Well-led	Overall population group
Older people		Good		Good		Good
People with long term conditions		Good		Good		Good
Families, children and young people		Good		Good		Good
Working age people and the recently retired		Good		Good		Good
People in vulnerable circumstances		Good		Good		Good
People experiencing poor mental health		Good		Good		Good
Overall Key Question	Good	Good	Good	Good	Good	
Overall location	Good					

A request for a review of ratings can only be made on the grounds that we have not followed our published process. If you think that we have not followed this process you can request a review. To do so you must first tell us within 5 working days of the publication of your report(s) that you intend to request a review by submitting this online form: <http://webdataforms.cqc.org.uk/Checkbox/IntentionRequestReviewRating.aspx>

You will then be provided with instructions on how to submit your full request for review.

In this application you must say in what way we have not followed the published process, and which ratings you think have been affected. You can only request a review of ratings once after an inspection, so please ensure that you include all of the relevant ratings in your request. Please note that requests for reviews of ratings can lead to ratings being changed 'downwards' as well as 'upwards' or remaining the same.

We will publish the inspection report on our website shortly.
